

THE FINAL SUMMONS

Comes to Mrs. Elizabeth Thomson Monday at 1 O'clock.

Was Mother of Mrs. W. P. Guthrie and a Lovely Woman.

Mrs. Elizabeth Thomson, aged 73 years, died at the home of her daughter, Mrs. W. P. Guthrie, on Sycamore street, Monday at 1 o'clock p. m. She had been in poor health for some time, but her death coming at this time was unexpected and was quite a shock to her many friends and relatives.

Mrs. Thomson was a noble Christian woman, having been a life-long member of the Baptist Church and up until a few years ago was an active church worker. She was for a long number of years a teacher in the Baptist Sunday School and had taught many, the way of salvation. Mrs. Thomson was never happier than when performing a Christian kindness, and her long years of usefulness are sure to be rewarded in that beautiful land beyond the stars. She was indeed a noble woman, possessed with a kind and lovable disposition which had endeared to her all with whom she came in contact. Sanguine in her belief and convictions she was ever ready to face her Master whom she had served so long and faithfully. Earthly friends, she has bid her last farewell and entered that beautiful city of God where suffering and pain are unknown.

She is survived by three children, Mrs. W. P. Guthrie, of this city; Rev. Robert Thomson, of Wenatchee, Washington, and Dr. Frank Thomson, of Dayton, Ohio.

The funeral services will be held at the house Wednesday afternoon, conducted by Rev. George Kennard, and burial in Thomson burying ground.

If you want to know how we adjust our losses, ask Albert Stoffer, John Lee, G. W. Anderson, J. K. Todd, who all suffered loss by fire in the past 30 days. Hoffman's Insurance Agency.

Montgomery County Has

3 Fires Within 24 Hours.

Thursday, Montgomery county was visited by three fires within twenty-four hours, entailing a loss of about \$6,000. The first was the barn on the farm of George W. Anderson, on the Levee pike, which was completely destroyed on Wednesday night, with three mules, one horse, lot of corn, etc., entailing a loss of about \$1,200, with an insurance on the barn of \$250. On the same night on the Maysville pike, fire broke out in the residence on the farm of Charles D. Dale, occupied by a tenant, and was completely destroyed together with nearly all the household goods. The loss is given at about \$2,200, with an insurance on the residence of \$1,000. This fire, it is believed, started from a fire which had been built by the occupants, who went off and left the place, and it is presumed that part of it fell out on the floor, causing the destruction of the house. Thursday the frame residence on the farm of Mrs. A. W. McClure, on the Grassy Lick pike, burned to the ground, supposedly from defective flue. The insurance on the place had been cancelled only a few days ago. The loss on the house is about \$2,000. The house was occupied by Walter Carr, who lost over half his household goods, with no insurance.

Record Breaking Attendance at Sunday School.

Easter Sunday was a red letter day with the Bible School of the Mt. Sterling Christian Church. The rooms were appropriately decorated with beautiful flowers and the musical program was of the highest order and well rendered.
